ABOUT THE CLUB

A statewide room for the people moving Texas capital.

Convening the people and ideas that will make Texas the premier financial hub in America.

The Economic Club of Texas is a network of senior investors, financial leaders, and executives at the forefront of Texas's economic landscape. It includes CIOs from major institutions, partners across asset management and private markets, and corporate leaders from across the state's leading industries.

What we do

Distinguished Speaker Series

In-depth conversations with CEOs, CIOs, policymakers, and thought leaders on topics of...

City Events — Austin, Dallas & Houston
